

HOW TO APPLY

The Application Form:

Print out the application form, fill it in and mail it to MedEdPath at:

MedEdPath
 163 William Street
 Suite 318
 New York, N.Y. 10038
 877-777-0155

It is recommended that you send your application using a method that allows you to track its delivery.

1. Personal Details:

Fill in your name, date of birth, citizenship, address and contact information.

2. Program of Study:

The program has one start date, in January of each year. Check Semester 1 and fill in the year.

3. Scholarship Details:

Indicate scholarship details.

4. English Proficiency:

If English is your first language, check the Yes box in 4a; no other documentation is needed.

5. Academic Qualifications:

a. Secondary School:

Enter your High School information. A transcript from your high school is not required.

b. Post-Secondary Studies:

Enter your college and graduate information, including the date your degree(s) was (or will be) granted.

6. Visa Information:

Indicate whether you are studying, or have previously studied, in Australia.

Indicate whether you will need an Australian student visa.

8. Overseas Student Health Cover:

Indicate whether you would like The University of Queensland to arrange for single or family coverage. Students must have Overseas Student Health Cover (health insurance) in place in order to qualify for a student visa.

9. Declaration and Signature:

Please sign and date the form.

11. Permission to Release Information:

If you would like a third party, such as a relative, to have access to your application information, please fill in this section.

The Required Documents:

The following documents are required in order to complete your application:

MCAT Scores:

MCATs must have been taken within the last two years. This program does not accept applications from the AMCAS system. Print out your MCAT score, with the verification code, and mail it to our office.

Transcript(s):

Official transcripts (not photo-copies) must be sent directly from the institution to MedEdPath. Transcripts for all work leading to your degree must be sent, including transcripts for summer study and transcripts for course credits transferred to your degree-granting institution. In order to process your application, a final transcript indicating that your degree has been granted is required.

Required for Attendance:

- Completed Bachelor's Degree or Advanced Degree
- Immunizations (before enrolling in Australia)

The University of Queensland requires that students be immunized against the following:

- Hepatitis B
- MMR
- Varicella
- TB
- Influenza

First Aid Certificate: (before enrolling in Australia)

The University of Queensland requires that successful applicants have completed and hold a current approved national Senior First Aid Certificate (including CPR) prior to the commencement of the MBBS program. The first problem in the PBL curriculum assumes knowledge gained in a Senior First Aid Certificate; students must have this background before starting the program. Evidence of this certificate must be presented on the first day of the program.

First aid certificates obtained overseas from internationally recognized organizations, such as the Red Cross, are acceptable provided that they are approximately 16 hours in duration and cover CPR for adults and infants. It is the responsibility of the student to provide evidence of the content covered in the first aid course.

Blue Card:

All students at the School of Medicine are required to hold a Blue Card. Upon enrollment the University will apply for the Blue Card on the behalf of MBBS students. Students will not incur any costs.

The Blue Card is issued by the Commission for Children and Young People and Child Guardian. The Commission is an independent statutory authority which promotes and protects the rights, interests and well being of children and young people in Queensland.

Under the Commission for Children and Young People and Child Guardian Act (2000), people who work with children under 18 years of age, in particular businesses or categories of paid or voluntary employment, must undergo screening called the Working with Children Check.

The Working with Children Check is a detailed check of a person's criminal history, if any, including charges or convictions. This involves a check of relevant police information held by the Queensland Police Service and other Police Services in Australia for any charges or convictions.

A person whose application to work with children and young people is approved is issued with a positive notice letter and a Blue Card.

DEED OF ACKNOWLEDGEMENT AND CONSENT

I acknowledge that I have been advised of the following special terms of my application for enrolment into the UQ-Ochsner Program:

1. **UQ-Ochsner Program:** The proposed arrangement for the UQ-Ochsner Program is to deliver 2 years of pre-clinical education at The University of Queensland in Australia and 2 years of clinical instruction at Ochsner Health System in Louisiana (the "**UQ-Ochsner Program**").
2. **Accreditation:**
 - a. The UQ-Ochsner Program is subject to approval by the Australian Medical Council ('**AMC**'), which may require students to return to Australia in year 4 to complete further clinical requirements.
 - b. UQ has submitted to the AMC an application for accreditation of the UQ-Ochsner Program.
 - c. Until the AMC completes its review of the UQ-Ochsner Program, UQ will accept students eligible for the program into UQ's traditional four-year program in Australia. In the event that the AMC does not accredit the UQ-Ochsner Program prior to 26 July 2011, students who enrol will be expected to complete their four-year medical education at The University of Queensland in Brisbane.
3. **State and Jurisdiction Licensure:**
 - a. UQ is not responsible for assuring licensure in any jurisdiction.
 - b. US States and jurisdictions have varying requirements for licensing after graduation from the UQ-Ochsner Program (if accredited) or UQ's traditional four-year program.
 - c. I should seek the advice of the state medical board in any states in which I intend to practise to confirm my eligibility for licensure after graduation from the UQ-Ochsner Program (if accredited) or UQ's traditional four-year program.
 - i. UQ is in the process of making an application for recognition to the Medical Board of California. Graduates of the UQ-Ochsner program would not be allowed to become licensed in California at this time.
 - ii. Students who wish to practise in California should be aware that the Medical Board of California currently recognizes UQ's traditional four-year program.
4. **MBBS Programs:** UQ has a traditional four year MBBS program for U.S. students other than the UQ-Ochsner Program. Information on this program may be found by emailing the University at study@uq.edu.au or on the UQ website www.uq.edu.au/study
5. **MedEdPath:** MedEdPath has been authorised to represent and recruit prospective students to the UQ-Ochsner Program on behalf of UQ.
